Nowali TECHNICAL "Bootlength sock", comes in black and darkgrey colour. Wool, polyamide and lycra. Sgl-pack.
Sizes 19/21 - 34/36.

Black Dk Grey

- warm bootlength sock, perfect for rainboots
- wool for insulation, which absorbs moisture without feeling wet and cold
- extra reinforcement in heel and toe - high wearing qualities
- forward flex technology for best fitting

Active children needs socks made for playing sports in warm and cold weather.

The sportshoes, boots and rainboots used today need socks in other material than earlier to keep the foot warm and dry.

We achieve this by carefully choosing materials with good wearing qualities and durable construction.
